

RESOLUTION NO. 1171A RESOLUTION OF INTENTION TO CONSTRUCT
IMPROVEMENTS

WALNUT DRIVE, ET AL

RESOLVED, by the City Council of the City of El Paso de Robles, California, that in its opinion the public interest and convenience require, and that it is the intention of said Council to order the improvements described as follows:

1. (a) The improvement of Shannon Hill Drive from Creston Road to Walnut Drive, Walnut Drive from Creston Road to Shannon Hill Drive, and Tanner Drive from Creston Road to Shannon Hill Drive, by grading and the installation of base and pavement.

(b) The performing of all work auxiliary to any of the above which may be necessary to complete the same.

2. Whenever any public way is herein referred to as running between two public ways, or from or to any public way, the intersections of the public ways referred to are included to the extent that work shall be shown on the plans to be done therein.

3. Said streets and highways are more particularly shown in the records in the office of the County Recorder of San Luis Obispo County, California, and shall be shown upon the plans herein referred to to be filed with the City Clerk of said City.

4. All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations as shown and delineated upon the plans, profiles and specifications to be made therefor, as hereinafter provided.

5. There is to be excepted from the work herein described any of such work already done to line and grade and marked excepted or shown not to be done on said plans, profiles and specifications.

6. Notice is hereby given of the fact that in many cases said work and improvement will bring the finished work to a grade

different from that formerly existing, and that to said extent said grades are hereby changed and that said work will be done to said changed grades.

7. Said Council does hereby adopt and establish as the official grades for said work the grades and elevations to be shown upon said plans, profiles and specifications. All such grades and elevations are to be in feet and decimals thereof with reference to the datum plane of the City of El Paso de Robles.

8. The description of the improvements and the termini of the work contained in this Resolution are general in nature. All items of work do not necessarily extend for the full length of the description thereof. The plans and profiles of the work, as contained in the Engineer's Report, shall be controlling as to the correct and detailed description thereof.

9. Said contemplated improvements, in the opinion of the Council, are of more than local or ordinary public benefit and said Council does hereby make the costs and expenses thereof chargeable upon an assessment district, which district said Council declares to be the district benefited thereby, the exterior boundaries of which district are the coterminous exterior boundaries of the composite and consolidated area more particularly shown on the map thereof on file in the office of the City Clerk.

10. Said Council further declares that all public streets and highways within said assessment district in use in the performance of a public function as such shall be omitted from the assessment hereafter to be made to cover the costs and expenses of said improvements.

11. Notice is hereby given that serial bonds to represent the unpaid assessments and bear interest at the rate of not to exceed six per cent (6%) per annum, will be issued hereunder in the manner provided in the Improvement Bond Act of 1915, Division

10 of the Streets and Highways Code, the last installment of which bonds shall mature not to exceed nine (9) years from the second day of July next succeeding ten (10) months from their date.

12. Except as herein otherwise provided for the issuance of bonds, all of said improvements shall be done pursuant to the provisions of the Municipal Improvement Act of 1913, as amended.

13. Reference is hereby made to proceedings had pursuant to Division 4 of the Streets and Highways Code on file in the office of the City Clerk.

14. Said proposed improvements are hereby referred to the City Engineer, being a competent person employed by said City for that purpose; and said Engineer is hereby directed to make and file with the City Clerk of said City a report in writing, presenting the following:

(a) Plans and specifications of the proposed improvements to be made pursuant to this Resolution of Intention;

(b) Engineer's statement of the itemized and total estimated costs and expenses of said improvements and of the incidental expenses in connection therewith;

(c) Diagram showing the assessment district above referred to, and also the boundaries and dimensions of the respective subdivisions of land within said district as the same existed at the time of the passage of this Resolution of Intention, each of which subdivisions shall be given a separate number upon said diagram;

(d) A proposed assessment of the total amount of the costs and expenses of the proposed improvements upon the several subdivisions of land in said district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvements, and of the expenses incidental thereto.

15. If any excess shall be realized from the assessment it shall be spent for the maintenance of said improvements, unless the Council shall hereafter determine that said amount or any part thereof shall be applied as a credit to each assessment herein.
